"I like being able to adjust them to fit what I like. I don't have issues after a 12 hour shift, personally, regarding comfort or back pains either".

William E. Martin, Jr.  
E-911 Director  
Culpeper County Public Safety Communications Center

Marvin W Kelley Executive Director for McMinn County 911, "demands great products that are American made. That is exactly what Max Miller at Miller at work provides. In a dispatch setting 24/7 Seating is most important for employee comfort. *The Service and Sales of Miller at Work are the very best!*"
